Mr. Taft Brings Good News for California

MR. TAFT has always been a good friend to California, and San Francisco owes him a debt of gratitude because of the favorable attitude that he maintained when he went to congress asking that this city be made the site of the world's fair in 1915...

Yes, Pocket Essoggs

NOBODY knows why they call it millinery. The dictionary says millinery consists of articles made by milliners. The milliners say millinery is hats. In a dispute of this kind we should always believe the dictionary.
