Is Husband of Mary Pickford and a Screen Star Also.

Among the people engaged in the business of amusing the public there tre frequently found some very appy families of which the public sears nothing. For instance, on day know an actor or an actress as n entertainer for years and never ubject that there existed the slightest relationship between them. There seems to be a sort of unwritten law on the stage to say as little as possible about the marriages of stars. Annie Russell, for instance, is a very well known actress-a much beloved actress-and Oswald Yorke is a very well known actor. but there are few people who know Mrs. Oswald Yorke and has been Mrs. Oswald Yorke for many years. While it may not add to the interest of the stage stars to know of their marriage, it is certainly an interesting thing to the average patron of the motion pictures to know these mings. There are very few people ho know that handsome Jack Richsigson of the American Company is the husband of Louise Lester or the

For this reason it is probable that the tanny people who recard Owen Moore an one of the best of the screen stars are yet unaware of one of the most interesting things about Owen Moore. There is no question but that he is one of the very best of the screen actors and that the plays in which he is prosented command attention just because he is in them. But there are few people who watch and admire him who know that he is the husband of Mary Pickford. Moore was one of the earliest of the men stars who worked under the guidance of David W. Griffith In the old Imp company. He was a leading man of the type that Grif-tith delighted to get and he has worked continuously and with in-reasing popularity ever since those

Marguerite Fisher and Harry Pollard

are husband and wife.

Moore is a modest chap. He has attle to say to amone. His greatest asset is his ability to do. He san been very much but out about be things that have been printed about him from time to time, not so mething about Moore directly from nmself. Miss Wright tells of her troubles in setting Mr. Moore to call about himself most entertain-

talk about himself most entertainingly.

I was hore in Ireland," said Mr. Moore, "and I am very proud of my trich blood. As to my stane experience, that's cars. Just disited into it, playing stock and in Broadway ireductions—oh a very ordinary, unstructing theree. My entrance in actures was made through the Blograph, where I played lends obposite Mary Pickford.

The man tower Moore is just as

lary Pickford.

"The man Gwen Moore is just as accordial and wholesome off the according on." Miss Wright continues, "and had little difficulty in learning that ersonalty, no doubt accounts, it art, for his popularity on the erren. But aside from the qualities mentioned, Mr. Moore is an actor of creat ability, having in his years fore the esmern, portrained almost very character whether "light" or beavy." He has worked for many of the leading composites aside from the Higgraph, including "The David Griffith" releases. Only recently he left California to fill his present enregement with The Famous Play-ra, and his work in "Aftermath" posite Virginia Pearson, has aused much commencation from the sublic. On the screen it is very evientire thought and energy to the s cess of the picture, but this is easily explained, as he told me that he was be with his work."

Partor Eussell's Syndicaled Sermons appear weekly in approximately fifteen hundred new-papers in the United States, Canada, Greet Britain, South Africa, Australia and Scandinavio, in four languages. Metopolitan cities are not controlled by the Syndicate, hence we are permitted to publish these instructive sermons in the leading nanopapers, paying therefor at advertising rates. In the Local State of the Control of the Law Covenant, has been the lessing which He purposed to bring subsequently to the race, and the Prophetty and Vears in This sight are, but as vectorials. Paint to bring subsequently to the race, and the Prophetty and Vears in This sight are, but as vectorials. Paint to familiate of the earth be blesself, and the Prophetty and Vears in This sight are, but as vectorials. Paint to familiate of the earth be blesself, and the Prophetty and the Familiate of the earth be blesself, and the Covenant, has been the work of the work for eighteen certain the little of the work for himself was to get fully little alignment of the propert of it, the Individual with the abilities in God East. While progresses in the specif of it, the Individual with the abilities in God East. While progresses and his debuded subjects, Per and the property of it, the Individual with the abilities in God East. While progresses in the specif of it, the Individual with the abilities in God East. While progresses and his debuded subjects, Per and the property of it, the Individual with the work of the work of the property of the specific of it, the Individual with the work of the property of the property of the work of human resource of it, the Individual with the abilities in God, faith the control of it, the Individual with the work of the property of the ability of the property of the property

favors and privileges, shall be destroyed in the Second Death.

Wearied Children Fall Asleep.

"Six Days shalt thou labor and do all thy work; but the Seventh is the Sabbath of the Lord thy God; in it thou shalt not do any work." Whoever reads carefully, intelligently, the pages of history must be struck with the energy which has been manifested by our race. The pyramids, the ruins of ancient cities and civilization—all tell us of humanity's ceaseless struggle of humanity's ceaseless struggle against the adverse conditions pre-vailing in the earth, including the strife

shall have taken the place of the Broad Read to Destruction; after Messiah, the great king, shall have dethroned Satan, the Prince of Darkness, from few, a noble fight against further degradation.

Well does the Prophet express the truth of our observation, saying, "We have not wrought any deliverance in the earth." (Isa'sh 28:18.) A few have the control of the world; after the Prince of Peace shall have established lasting peace upon a proper basis. gained fabulous riches, name or fame, place or power; but the majority have cone down to the tomb, slain by the great associated monarchs whom the Bible declares are now reigning—Sin through his disobedience. What the race needs is another father, or life-giver, and this is exactly what the word Saviour signifies Life-Giver. At the cost of His own life the Redeemer and Death.

sickness and death, and, by a

The lessons learned by Adam's wearied children will not be lost, however. The breader mellowness of heart and the broader views of the majority of those who have fallen asleep in death after battling for even fifty years suggest that our race as a whole might do beter work in a second century than it be first. Moreover, the Scriptures in dicate that the great drawn of sin, self-ishness and passlen being enacted by humanity is furnishing to angelic hosts humanity is furnishing to angelic nosts a lesson respecting the exceeding sin-fulness of ain-sts downward tendency, its bitter fruit, and the hopelessness of escape therefrom except by Divine

Humanity's Next Lesson.

The forbidden fruit of Eden was from the tree of the knowledge of good and evil. Doubtless the Creator would sent After a brief recess Congress (econsult knowledge of both good and evil, and receive forbade them an immediate plungs into knowledge to their own discovered by the probably will have to hold night sessions before the middle of January.

Appropriation bills will have the right of way in both pouses, for it is realized that they and their race have been that if an extra session is to be avoided them and their race have been that they are that they and their race have been that they are that they are they have been that they are the knowledge of good to give have the establishment of his race one later.

The holy angels, who have never that the provided that the race of the bound also do not be the utmost speed on the same that they are they have been that they are therefore and merely a his-giver, but a mother, a care-taker, Similarly, in the Divine are the come later.

The holy angels, who have never that the regeneration between the provided that the race have an an analysis of the provided that the same there are the provided that the same there are the provided that the same that they are there are the provided that the same there are the provided that the same that they are there are the provided that the same that the

that if an extra session is to be avoided their must be the utmost speed on the fourteen supply measures, only two twice have passed the House. The Sentinually the lesson of good—an apprehensive so far has not passed a supply bill, but is expected to addetrack the immigration measure, and take up the District of Columbia budget this week.

The Administration ship purchase bill is awalting action in both houses, but it probably will not be passed until most their importance expected.

The Administration ship purchase bill is awalting action in both houses, but it probably will not be passed until most of the appropriation bills are out of the 18 bound of t

house floor during debate on the ergy called trusts and combines,

the hiouse floor during dehate on the linerage called trists and combines, is about to come into conflict with self-parmy and appropriation bills.

The full Naval Affairs Committee will be seen of the mark the increase of the nave section is bandled by a reliconsmittee which traines the remainder of the bill, the naval increase being left to a vote of the full committee. The present outlook is that the full committee will appropriate for two battleships, at least ten submarines, eight destroyers, one gunboat, and one offer, it has already been decided to allow \$1,90,009 as a separate item for aircraft. The airship appropriation has heretofore been carried in the humo sum appropriation for the Burreau of Steam Engineering, and compensatively little of that fund has been appear to the pay of the great of the glorious blessings of the great for already. The airship appropriatively little of that fund has been appear and come fully. from his own endeavors and come fully
