AN EASY WAY TO MAKE \$1000

Read the following propositions, then show to your preacher and other friends, to whoever interested: I have deposited in the American Exchange National bank of Greensboro, N. C., \$1000 to be paid to the first person who proves in any court of justice in the United States that Pastor Russell is guilty of any immorality, such as is the "gossip" of those ministers who preach "for pay." I have known of Pastor Russell for 15 years and believe his teaching of the Bible doctrines is the only teaching which is in strict harmony with the entire Bible, both Old and New Testaments. Many great men claim that Pastor Russell is not only the greatest Bible expositor on earth, but so meek and full of love for God and humanity that he does not turn aside to defend his reputation from satanic slander, hence I make the foregoing proposition in his defense.

I will also pay the following cash premiums for the texts below, viz: \$50 for a text which says the soul goes to heaven or hell immediately at death; \$50 for a Bible text which says there is no probation or salvation after the adamic death; \$10 for a Bible text wherein is found the word "trinity" (not a hymn book text), and \$10 will be paid to anyone who proves an error in Bible Chronology which is promulgated by

Pastor Russell. All Bible commentators tell us that the "mother" spoken of in Rev. 17:6 is a symbol of the Roman Catholic church, and if this be true I will give \$10 to the first person who gives me philosophical proof that the daughters (referred to in same verse), are not symbols of the 666 other churches.
