

Mr. W. E. Drane, of Osborn, candidate for the Legislature in the Eastern District, attended the Vardaman Club Monday evening, and responded to a call for a speech. His address was brief, pointed, and was enthusiastically received.

The millinery opening displays on Wednesday and Thursday drew large crowds of ladies and they were highly elated with the season's creations.

AN INFANT ONE HUNDRED YEARS OLD TO BE ELECTROCUTED.

Pastor Russell Explains Isaiah lxxv, 20

Brooklyn, Mar. 5
—A year ago Pastor Russell's audiences were too great for "Brooklyn Tabernacle" and Brooklyn's largest and finest Auditorium, the Academy of Music, was secured.

Every seat was filled and a few turned away on the occasion of his last discourse here February 5. Today, however, hundreds were unable to gain admittance and are promising themselves to go earlier next time. It looks as though a still larger auditorium should be sought.

Pastor Russell translated his text to read, "Thenceforth there shall be no more (death of) an infant of days, nor of an old man who hath not filled his days; for the dying one shall be a child at a hundred years old—a sinner a hundred years old shall be accursed—cut off from life. He pointed out from the text that this statement is a prophecy respecting the future—respecting the time when Messiah's Kingdom will rule the world. The verses following the text, he said, indicate clearly that in that glorious Epoch landlordism will be a thing of the past. People will build their own houses and inhabit them; plant their own vineyards and enjoy the fruit thereof. They give a description of the period when sin will be giving place to righteousness; and sorrow and death will be giving place to happiness and life—perfect and lasting.

Two Salvations Taught in the Bible.
All of us in the past have misread our Bibles and not noticed that there are two salvations. One will be to heavenly conditions like unto the angels, where there will be no planting, no building, etc. This is the salvation offered from Pentecost to the present time, to the faithful few who walk in the footsteps of Jesus and make their "calling and election sure." The other salvation will be an earthly one. It will recover mankind from sin, degradation, sorrow and death, to human perfection, to earthly palaces, in a world-wide Paradise restored. But this earthly blessing or salvation has not come to mankind as yet and cannot come before its time. St. Peter tells us that those "times of restitution of all things which God hath spoken by the mouth of all the holy prophets since the world began" will begin at the Second Coming of Christ—after he shall have selected the saintly few who will constitute his Bride, his joint-heirs, in his glory, honor and immortality—his associates in the Messianic Kingdom.

Living and Dead—Just and Unjust.
Pastor Russell declares that God's provision for the Church will include not only those alive at the Second Coming of Christ, but also, by a resurrection change, all those who have fallen asleep in Christ throughout this Gospel Age. These will constitute the "first resurrection," and as priests of God and Christ will reign with him a thousand years (Revelation xx, 4).

Just so also, the earthly blessings will include not only the people living at the time of the inauguration of that Reign of Righteousness, but also, as the Redeemer said, "All that are in their graves"—the evil as well as the good. The saintly ones coming forth will have their reward immediately because of their faithfulness during their trial time, which precedes the trial time of the world. Then the mass of mankind, aside from the Church class, will all be brought to a knowledge of the Truth—heaven and earth—none will any longer be allowed to grope in darkness or to be blinded by Satan and the attractions Satan himself will be

to the glory of God the Father.
Hundred-Year Old Children.

In the beginning, before our race had fallen so far into death, some of its members lived to be several hundred years old, and that under the unfavorable conditions of the curse—thorns, thistles, etc. At that time, said the Pastor, human kind who were only a hundred years old were but as children. Today, after six thousand years of experience under the fall, centenarians are rare—and these are old men returning to second childhood. The restitution processes of Emanuel's reign of righteousness will have so uplifting and blessed an effect on mankind as to bring back, not only strength of morals and of mind and of will, but also physical strength—youth, vigor.

Every man will have a century of schooling, of instruction, of preparation for living. Open and violent sin, wickedness and injury to others will not be permitted at that time at all. Nevertheless, there will be many opportunities for testing, proving, teaching mankind. The disobedient will receive punishments, "stripes." The well-doers will be blessed, rewarded, uplifted. But after having enjoyed a century of such schooling and correction in righteousness, those still resisting the Divine regulations will be sentenced, as sinners, to be "cut off" from life.
