

KOREA SLATED FOR PLACE IN JAPAN'S GIZZARD

MIKADO WILL RECOGNIZE EXISTING TREATIES AND KOKEAN NOBILITY BUT TAKES AWAY LATTERS POWERS.

Tokio, Aug. 22.—Preliminary to the signing of the imperial proclamation that shall transfer the sovereignty of Korea to the Japanese mikado, certain provisions of the document became public here today.

The Japanese government will recognize, for the present at least, the various treaties existing between Korea and foreign nations. This clause is of primary importance to the United States, which has enjoyed under the Korean treaty certain territorial rights in Korea which Americans do not possess in Japan.

The American state department unquestionably has been uneasy over the proposed annexation of Korea because of this treaty feature.

A fear has been expressed that American extra-territorial rights would be abrogated by the annexation and that Japan would refuse to recognize the existing treaty with Korea. It is understood that diplomatic notes were exchanged between the Tokio and Washington governments and that assurances were given that existing treaties would not be disturbed for an indefinite time.

The annexation proclamation will decree that the Korean emperor shall have all rights devolving on an emperor, according to the laws of Japan. These will include freedom of supervision, enjoyment of certain revenues and comparative freedom from governmental cares.

Korean officials and nobles will receive similar treatment and will be deprived of none of their privileges and the perquisites of their rank save the governmental powers that they have enjoyed.

MOISSANT MACHINE WRECKED

CROSSED THE CHANNEL ALL RIGHT BUT CANNOT FLY FURTHER—FOR THIRD TIME MACHINE IS SMASHED.

London, Aug. 22.—Misfortune continued to pursue the aeroplane flights of John Moissant today and after an hour of circling high in the air in an attempt to fly to London, the aviator was compelled to descend. In the descent his machine was again wrecked. Moissant telegraphed for new machinery and additional repairs.

Moissant left Upchurch at 4:30 a. m. and in spite of a high gale continued in the air an hour before landing at Seven Oaks after describing an "S" shaped course and going far to windward of London. He descended violently in a field and broke the propeller, rudder and planes, the wheels and chassis buckling from the impact.

Moissant said later that he intended to try again tomorrow. In the course of flight Moissant's machine rolled and dipped in the sea like a frightened bird. The biplane dipped 50 and 100 feet in great swoops but Moissant each time regained control of the craft and averted disaster.

The aviator was unable to combat the gale and maintain headway. He stopped his motor and glided toward the ground. The descent was swifter than he expected and the machine struck the earth with great force.

Seven Oaks is 22 miles east of London. With reasonable fair weather tomorrow, Moissant expects to complete his arduous journey.

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her

Knoxville, Iowa.—"I suffered with pains low down in my right side for a year or more and was so weak and nervous that I could not do my work. I wrote to Mrs. Pinkham and took Lydia E. Pinkham's Vegetable Compound and Liver Pills, and am glad to say that your medicines and kind letters of directions have done more for me than anything else and I had the best physicians here. I can do my work and rest well at night. I believe there is nothing like the Pinkham remedies."—Mrs. CLARA FRANKS, R. F. D., No. 3, Knoxville, Iowa.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

In attendance are considering plans for his removal to his home or to the mountains for convalescence.

AN IMPRESSIVE SCENE.

Tribute of Pastor Russell at Albert Hall to Late King Edward. [From the Leeds Yorkshire Post.] Pastor Russell of Brooklyn Tabernacle, the great American preacher, who is now on a tour in this country, prefaced his remarks to a huge audience in the Albert hall last night with the following:

"In Germany I learned of the death of your esteemed monarch, Edward VII. I realized that not your nation only, but all Christendom, had lost an unobtrusive but wise counselor, a power for peace and good will among men. I take this opportunity to express to this great audience my sympathy, which I assure you, is shared by the great majority of my American countrymen. My first thought was that out of respect for the illustrious dead, his family and the nation this service should be postponed, but my second thought was to the contrary. Surely at no more fitting hour could we consider the great hereafter. There is, thank God, a hereafter for kings as well as peasants. Royal mourners and a mourning nation need a message from God's word particularly now, and, since no more representative audience will probably assemble in this capital of the empire, I have a suggestion to offer, which I trust will have your approval. It is that before offering prayer we show our sympathy for the royal family in their bereavement by standing."

After about a minute, while silent prayer was offered, Pastor Russell offered prayer generally and requested the great audience to sing one verse of "Nearer, My God, to Thee." The whole scene was very impressive.

IN SCOTLAND.

The American Preacher's Address in City Hall, Glasgow.

Pastor C. T. Russell of New York addressed a crowded meeting in the city hall, Glasgow, yesterday evening. As chairman of the International Bible Students' association he is at present engaged in a European tour for the purpose of explaining the doctrines of the Bible in a series of discourses which take the form of religious lectures. Since leaving America he has conducted meetings in the Holy Land and the principal continental cities, and in the course of his present visit to this country, which he has toured on four previous occasions, he has addressed two meetings in the Albert hall, London, where his eloquence and convincing style of preaching have attracted large audiences. In the city hall last night Mr. Russell's subject was "The Overthrow of Satan's Empire." This evening he will lecture in Dundee, and tomorrow he will appear in Edinburgh. On leaving Scotland he will cross to Ireland, where he will visit Belfast and Dublin.

YACHT FOR GOSPEL WORK.

Pastor Russell to Work Among Sailors in the Port. [From the New York American, June 4, 1910.]

Pastor Russell, president of the Peoples Pulpit Association, was yesterday presented, for Christian mission work, the fully equipped and seaworthy Angel, a naphtha and sailing yacht. She is about 125 feet over all, has seating capacity in dining saloon for seventy persons and is prepared for main deck meetings in fair weather.

As indicated by Pastor Russell in his acceptance of the vessel, unique work will be undertaken in New York harbor. It is said the meetings on board the Angel will be advertised from day to day, starting her moorings as well as the language of the speaker. Thus all who desire may keep in touch with this witness of the "gospel of glad tidings to all nations."

"Fortunately, my friends, this gift is not wholly a surprise to me," said Pastor Russell in accepting it. "I had intimations and was in touch with some of you respecting the Angel. Nevertheless I am at a loss for fitting words wherewith to express my appreciation of your loving zeal in following a suggestion I dropped respecting the soul needs of the sailors of all nationalities visiting this great port."

PASTOR RUSSELL RETURNS.

A Two Masted Schooner Presented to Him For Religious Work. [From the Brooklyn Eagle, June 3, 1910.] Among the passengers who arrived on the Lusitania this morning was the Rev. C. T. Russell, pastor of the Brooklyn Tabernacle. His arrival was awaited by a number of friends, who presented him with a two masted schooner for missionary work about the harbor.

The schooner that was given Pastor Russell was right on the job as the Lusitania began warping in. From one mast of the sailing vessel to the other was strung an enormous piece of bunting bearing the words "The Angel," that being the name of the craft. Below was a sign reading "God Is Love," and a third sign with a religious admonition followed.

Talking of his trip abroad, Pastor Russell said he expected that within five years Jews would begin returning to Palestine to make that country their home. The preacher visited Palestine during his trip and said he found evidence constantly of a steady progress of the Zionist movement.
