

TO CHECK A GENERAL DECLINE IN HEALTH

Often Difficult When There Is No Apparent Cause.

A Majority of Cases the Trouble Is in the Blood and When It Is Built up a Cure Follows.

A condition of ill health in which there is no specific disorder but in which the patient continues to waste away for no apparent reason, is a baffling one for the physician to treat. Not every one is in a condition to take a sea voyage or a trip to the mountains and frequently this is all the practitioner can advise.

General debility generally due to impure blood. Its causes are worry, overwork, failure of the body to regain its health after a severe sickness, lack of purification from a disordered digestion, or some drain upon the body, all of which result in thinning the blood, preventing it from carrying food and nutriment to the tissues of the body.

Dr. Williams' Pink Pills, which cured the following case, are a blood-builder and also a nerve tonic, making them a remedy especially adapted for such debilitated and anemic conditions as existed in the case of Mr. John Keller, of 705 East 12th Street, Syracuse, N. Y. He says:

"I gradually became run down in health, and general debility resulted. I lost in weight and strength, all ambition seemed to leave me and the slightest exertion wearied and tired me out. I suffered from severe headaches, my kidneys were affected, and I had had pains across my back.

"My son brought home a box of Dr. Williams' Pink Pills and before they were entirely used I knew they were helping me. I kept on with the treatment for a time longer and was cured. I have had no recurrence of the trouble and have enjoyed good health ever since."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no opium, opiate, narcotic, nor anything to cause a drug habit. They do not act on the bowels but they actually make new blood and strengthen the nerves. If you want good health you must have good blood.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

GRIM-VISAGED SOLDIERS KEEP ORDER IN SPAIN

Every Military Man in Empire Under Arms to Preserve Peace On "Ferrer Day."

MADRID, Via Hendaye, France, Oct. 13.—Ferrer day found Spain an armed camp, with every soldier in the empire under arms. Alfonso, confident in the loyalty of his army, was prepared to crush an attempted insurrection with an iron hand.

Under direction of Premier Canalejas, every reservist had been summoned to the colors and every large city in Spain was occupied by immense numbers of soldiers, whose orders were to assist the civil authorities to the limit in preventing an outbreak.

Barcelona, the hotbed of sedition and the spot where Dr. Ferrer was shot by the troops on Oct. 13, last year, is under martial law, with nearly as many soldiers on duty as there are inhabitants in the city.

King Alfonso has announced that in the event of an uprising he is confident that he can count upon the army to support him. He will take personal command of the situation and lead his soldiers in any fighting that may be necessary.

The king's reckless personal conduct during the Barcelona outbreaks last year, had much to do with quelling the outbreak.

Leaves of absence to officers and privates have been suspended for seven days, and all troops not on duty are being kept in barracks, so that they may be rushed to the point of any trouble at a moment's notice.

BERLIN CENTER SCORCHED

LAKE OLESSA, Mich., Oct. 13.—Fire which started from unknown causes in the rear of the Carmen general store in Berlin Center, eight miles north, late last night, came near wiping the settlement off the map, and entailed a loss estimated at \$10,000. The Carmen store, its contents, living apartments on the second story, Gleason hall, several small sheds close by were destroyed.

An alarm brought residents of the countryside out, and they formed a bucket brigade and saved the church, school house and blacksmith shop, the only other buildings in the place, from being burned.

DETROIT BOY ARRESTED

They will be turned over to the Lucas county juvenile court.

BLOOD ATONEMENT A NECESSITY.

Text—"The life of the flesh is in the blood; and I have given it to you upon the altar, to make an atonement for our souls; for it is the blood that maketh an atonement."—Lev. 17:11.

BROOKLYN, N. Y.—Pastor Russell, of the Brooklyn Tabernacle, addressed a large and attentive audience at Brooklyn's largest auditorium, the Academy of Music, from the above text. He said:

"Ours is a day in which, more than ever before, the statement of our text is disputed—disputed by Jews, Gentiles and Christians. The great Christian author, St. Paul, agrees with the Leviticus, and in the above text, saying: 'Without the shedding of blood there is no remission of sins.' (Hebrews ix, 22). The orthodox Jew and the orthodox Christian, therefore, are in substantial agreement as to the foundation of things and the orthodox are in agreement of opposition. The latter agree that there is no necessity for Sin Atonement, that the latter thought of all the wise men of the earth, the greatest ministers and sages, is that there is no such thing as Original Sin; hence could be no such thing as necessity for cancellation of sin. Two things have contributed to these unorthodox views:

(1) The agnostic Jew not only disputes the Bible as an authority on the subject, but in addition, admits to himself that if the shedding of blood, if the sacrifices commanded by the Leviticus, could truly make sin Atonement, it would be right and necessary, it would involve the thought that the Leviticus is a true and necessary part of the Bible in any sense of the word for more than eighteen centuries, because Sin Atonement has been made according to certain specified conditions or else it could not be made at all. The Jews of the Ark of the Covenant, containing the Law, and covered by the mercy-seat, was one of these disasters. The destruction of Jerusalem, the City of the great King, was another, and above all, the Law required that the sacrifices should be killed, and the presentations sacrificially made to God, only by a priest who could show his own complete sinlessness.

(2) Since the destruction of Jerusalem, A. D. 70, the Jewish nation has been created and devoted by their foes—some of these alas, claiming to be Christians and dishonoring the name of Jesus! As a result, all official records and genealogies of the Jewish people are broken, violated, destroyed, and thereby there are numerous descendants from Aaron living today; but since they cannot prove their descent, they are absolutely forbidden to attempt to make a Sin Atonement on the Atonement Day. Viewing the matter from this standpoint the orthodox Jew feels all the more inclined to repudiate the necessity for any Sin Atonement. Indeed, many of them seem not only to have lost confidence in the Mosaic arrangement, but to have lost faith entirely in a personal God. We hope and sincerely believe that many of these are sincere and will be obedient to the sacred law to faith shortly and to a better understanding of the holy Scriptures and of Jewish Atonement.

In view of what we have said, all must see that it would be impossible for the Jews properly to observe the Atonement Day, and that in the absence of other facility necessary to the requirements of the law, nevertheless, an outstanding ceremony is kept up, on the proper Atonement day of their year, the Tenth Day of the Seventh Month, the day figuratively acknowledges that the merit of the previous sacrifice has expired. He fasts. He prays, according to the original program. But he has no priest, no bullock is slain for the sins of the tribe of Levi. No goat is slain for the sins of the other tribes. And no blood is taken into the Most Holy to make an Atonement. Not only have they no priest to officiate, but they have no mercy-seat, some of them wrap the neck of a rooster, swinging it over the head three times, and then they kneel and pray for the Day of Atonement and could not take it.

It should not be misunderstood as holding up the Jew to ridicule. Quite to the contrary, we sympathize with him. We appreciate his reverence for the Law and his desire for fellowship with God in the cleaning of his sins. We would, however, suggest that nothing is to be gained by deceiving themselves and each other into the supposition that their Atonement Day brings them any relief from their sins in any sense of the word with the Almighty. What they do is a mere farce. The sooner they realize this, the sooner will their honesty in the matter bring them into the proper condition of heart to recognize that the sins of more than eighteen centuries rest upon them uncancelled and that this is the explanation of the calamities that have befallen them.

When Israelites come properly to understand the situation, they will see that the Messiah in the New Testament, Messiah is not only the great King typified by David and Solomon, but also the great High Priest typified by Aaron and more particularly by Melchizedek, who was a priest of the Most High God. The Messiah will not only be the great King over Israel and the world, but he will be the great High Priest, whose application of merit will effect the cancellation of sins forever. He will not reintroduce to them sacrifices of bulls and goats, but he will make known to them that those sacrifices were mere formalities of better sacrifices, and that they need not be repeated yearly, but work a permanent cancellation of the sins of Israel and of all the children of Adam.

These worldly-wise cannot deny the fact that there is sin in the world and that the tendency of all sin is towards death. They cannot deny that death is gaining a greater hold than ever upon our race. Insane asylums, prisons and reform schools show that notwithstanding the wonderful achievements under the enlightening influences of the New Dispensation, the insanity, the crime and the prison statistics and the physical statistics show that in spite of every effort, our race is becoming mentally, morally and physically weaker day by day. It is for them to explain these facts fit to their theory of evolution.

Christian's View of Sin Atonement. By the term Christian we refer to those who intelligently believe the explanation of the Bible respecting sin, that it is a violation of the Divine Law and carries with it a penalty. That Father Adam was created as sinless as are the angels and as perfect as they, only on a lifeless plane of being. Obedience was required of him as the price of Divine favor and everlasting life. Disobedience thrust him from paradise into the unprepared earth to wrestle with the thorns and thistles, where the decree, "Dying thou shalt die," accomplished his execution. His race was in his loins and naturally shared by heredity his weakness and death penalty, so that the entire race is a dying race. But the Creator was unwilling that Adam and his children should die as brutes. God

the man Christ Jesus died for the man Adam, to cancel his sin, to satisfy his penalty. And since his sin and penalty have been inherited by his children, the one sacrifice for sin is sufficient for all. The work of atonement is not completed. The first half of atonement is the satisfaction of justice. But even this part is not yet completed. The Redeemer presents His sacrifice in two parts, according to the type. The first effusion of His blood spoke peace to believers who now have the ears to hear and the heart to obey; the second effusion, as shown by the Law (Leviticus xvi, 15) will make reconciliation for the sins of all the people—the whole world of mankind. Then the other part of Atonement begins.

40 Years of Success

For over 40 years Dr. Pierce's Family Medicines have kept the lead and still stand in the front rank as curative agents.

They are little advertised now, as compared with many others, resting, as they do for popularity upon their many years of marvelous cures and the grateful friends they have made.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

It's the only advertised medicine for woman's ills which contains neither alcohol (which to most women is worse than rankest poison) nor habit-forming, or injurious drugs and the makers of which are not afraid to print all its ingredients on its outside wrapper. Is that not significant?

Dr. Pierce's Golden Medical Discovery

Is equally renowned for its many cures of Stomach Weakness, Indigestion, Torpid, or Lazy, Liver and kindred derangements, as well as for Blood and Skin affections. In many ailments of women the combined use of these two medicines is advised.
