because the entire system becomes permeated with injurious acids.

To relieve rheumatism Scott's Emulsion is a double help; it is rich in blood-food; it imparts strength to the functions and supplies the very oil-food that rheumatic conditions always need.

Scott's Emulsion has helped countless thousands who other remedies failed.

Rev. Paul M. Brown, former presiding elder of the Alexandria district, will be in Colfax on Sunday, Nov. 29, and will preach in the M. E. church at eleven o'clock.

The Catholic ladies of Colfax gave a supper last Wednesday night at the Faraldo restaurant, for the benefit of the Catholic church, which netted them a handsome return.

Judge Blackman will be in Colfax next Monday to hold a term of civil court. Also a preliminary trial will be given to Lonnie Diamond, in jail for killing N. F. Bolton on Nov. 7.

The ten days meeting held at the Colfax M. P. church by Rev. J. L. Morrill was brought to a close last Sunday. From Colfax Mr. Morrill went to Verda, where we understand he will hold another meeting.

The Tom Thumb Wedding at the court house last Tuesday night was a decided success. About sixty little folks dressed up as grown folks, the little boys with swallowtail coats and long pants, standing collars and white ties, and the little girls with wedding gowns and trains, created a great deal of amusement.

Judge Andrews on the Bench.

Town Talk of Nov. 23, says:—Judge James Andrews received his commission as extra judge for the 13th Judicial District composed of Rapides and Grant parishes, and the oath of office was administered to him this morning by Judge W. F. Blackman in the district court.

Judge Andrews assumed the duties of the office immediately and began holding court here in place of Judge Blackman, who will take a few days rest before going to Colfax next Monday to hold a week of civil court. Judge Andrews will continue to hold court here next week also.

Judge Blackman states that the docket as set by him before Judge Andrews qualified will not be displaced, but will be apportioned to the judges commencing on the first of January. The two judges will arrange for rules to govern the procedure in the courts. There will be two sections of court here for civil business, sections A and B. The civil term will also be divided between the two judges.

Greatest Crop Heretofore Grown Indicated in Bureau Figures.

Washington, Nov. 21.—Possibility of this year's cotton crop equalling or perhaps exceeding the greatest crop heretofore grown was indicated today in the census bureau's fifth ginning report of the season, which showed the quantity of cotton ginned prior to Nov. 14 was 11,624,708 bales, the largest on record. In the past seven years the average of the entire crop ginned to the end of this period was 75 per cent. On this basis the present crop would seem to be between 15,500,000 and 16,000,000 bales.

The ginning for the period from Nov. 1 to 14 established a record of 1,795,626 bales, exceeding last year by 152,000 bales and 1811 by 458,000 bales. For the season this year's ginnings exceed the record by 811,000 bales.

In Alabama, Arkansas, Florida and Oklahoma new records for ginning to Nov. 14 were established.

Prohibition, White Slave Traffic and Votes for Women.

A free lecture will be given in the town of Montgomery, La., at the Methodist church, by Mrs. Ada Wallace Unruh, on Thursday night, Dec. 3, on the subject "National Prohibition, Abolition of White Slave Traffic, Votes for Women." All who can should go to hear her. Other suffrage speakers give theories as to what woman would do with the ballot; Mrs. Unruh tells a wonderful absorbing story of what they have done. This is no stereotyped lecture, but a discussion with a live personality behind it, rhetorical, picturesque, humorous, fervid and forceful.

Progress-News Plant Moved from Pollock to Jonesville.

A letter from Mr. Tal C. Gibson, editor of the Pollock Progress-News, informs us he has moved his printing outfit to Jonesville, Catahoula parish. We understand that a fight is on over that way about the parish seat, and we judge that Bro. Gibson expects to be "in it" when the thing comes off. He is a good citizen, and we wish him success in his new field.

The meeting of the Iatt Oil Co., which was called at Colfax on Nov. 24, for the purpose of voting on the question whether the company should liquidate, proved to be a failure so far as voting was concerned. After considerable discussion the meeting was adjourned without taking any action.

GIVE THANKS FOR WAR OR FOR PEACE?

Many Confused and Perplexed Worshipers.

How "In Everything Give Thanks"? Knowledge Necessary Approaching Throne of Grace—Variant Praises and Thanks to God Throughout the World—Solution of Our Perplexities. Bible the Only Guide—Spirit of a Sound Mind Rarely Found.

PASTOR RUSSELL

November 22.—Pastor Russell, in New York City Temple, W. 63rd Street, had for his text the words, "In everything give thanks."—1 Thessalonians 5:18.

Reviewing briefly the conditions of the world, the Pastor declared that it must be difficult for the majority to determine correctly the nature of the thanks they would offer to God. Three hundred and fifty millions of humanity, our blood relatives, are seeking to destroy each other. Ninety million Americans, deeply interested in them, are invited by our Honorable President and the Governors of our several states to render thanks to the Almighty. Truly, we have many causes for thanksgiving to our Creator; life itself is a blessing; our nation in many respects is the most favored, not the least of blessings being our civil and religious liberties.

Surely "our lines have fallen to us in pleasant places." Those who feel no gratitude are surely soured by discontent, the fruitage of ignorance, selfishness, sin. How appropriate, then, that each bow heart and head before the Giver of every good and perfect gift! To whatever extent this course be followed heartily, without hypocrisy, undoubtedly a blessing will result, individually and nationally.

Who May Pray?
There is a difference between thanks giving and prayer. None have the right or privilege of approaching the Throne of Heavenly Grace except those who have come into covenant relationship with God. The Jews came into covenant relationship with God through their Law Covenant by Divine arrangement through Moses. Followers of Jesus, who accept the Divine arrangement, are privileged thus to come into relationship with the Creator through Him. He has opened up for us a new and living way through the sacrifice of His flesh.

All whom the Father has accepted through Him, and begotten by the Holy Spirit, are Scripturally termed sons of God, children of God. (1 John 3:1; Romans 8:17.) These are invited to come to their Father and to address Him as "Our Father which art in Heaven," and to ask for the blessings which God has provided for His children, according to His purposes and arrangements. But none others are permitted to come to the Throne of Grace, because not in covenant relationship with the Savior.

Thus we see that only a limited number may enjoy the privilege of prayer or expect answers to their prayers. But, thank God, others may worship and bow down! Many have this privilege, and the exercise of it is sure to bring a blessing. Whoever has a thankful heart which takes delight in offering worship to God will surely be strengthened in righteousness.

Giving Thanks for War.

Very evidently the majority of mankind have an insatiable knowledge of the edge of God, of the Bible and of the Divine Plan therein set forth, to thank God for the present state of war. But to the Church, whose eyes of understanding have been opened, St. Paul writes, "In everything give thanks." Ripe Christians have learned to thank God for life's adversities, convinced that the direct calamity may be overruled for good to His people and glory to His name. But only advanced Christians can give thanks for trials and testings. Similarly in respect to the great European war now in progress, only the well-instructed of God's people may understand the Divine arrangements so thoroughly as to be able to give thanks respecting the war—able to exercise faith that the outcome will mean blessings of instruction and preparation for future blessings.

If the Scriptures did not foretell this time of world-wide "distress of nations," we might not know that God had foreseen it and had provided for its results. But the same Bible that foretells the war tells of its results, saying, "When the judgments of the Lord are abroad in the earth, the inhabitants of the world will learn righteousness." Moreover, it tells that the war is merely the outgrowth of human selfishness, ignorance, superstition and false doctrine, and assures us that although it will lead on to revolution, anarchy and the utter wreck of the present civilization, nevertheless God is prepared for the emergency.

The hour having come for Messiah to take control, He will stand forth and exclaim to the raging elements of the restless human sea, "Peace! Be still!" And there will be a great calm.

Those who see the war from this viewpoint may indeed give thanks, rejoicing that the reign of Sin and Death will soon be ended, that God's Kingdom will come and His will be done on earth, even as in Heaven!
