ONE SALOON LESS IN KEOKUK TODAY

License Surrendered by Theodore Hultz, No. 71 South Third, and Temporary Injunction Issues.

HEARD IN COURT TODAY

Case Came Before Judge Bank and Will Come up for Final Hearing at a Later Date.

Keokuk has one saloon less today. Acting on the advice of his attorney, A. T. Marshall, Theodore Hultz, proprietor of the saloon at No. 17 South Third street, surrendered his license and today a motion to dismiss the injunction proceedings pending in the district court was made.

The move made last evening when the license was surrendered was for the purpose of evading a temporary injunction issue. However, when the case came before Judge Henry Bank this afternoon County Attorney Theodore A. Craig said that if an injunction was not granted in the present case a second prosecution would be instituted to have the owners of the building enjoined because of the recent gambling.

GOD IN THE HOME. THE WORLD'S GREAT NEED.

A Godless World of Godless Homes a Growing Danger.

Elmira, N. Y., July 23.—Pastor Russell delivered two addresses here today to crowded and attentive audiences. We report one on "God in the Home," from the text, "As for me and my house, we will serve the Lord" (Joshua xxiv, 15). The Pastor said:

Do not understand me to teach that the world's opportunity for life everlasting or death everlasting is now. "God hath appointed a Day in which He will judge the world," grant the world a judgment or trial or test. That great Day is future. It is the Day of Christ, a thousand years long. It will be a glorious opportunity! Present right doing and right thinking, or wrong doing and wrong thinking will have much to do with the condition of every man and woman at that time.

When, therefore, I speak of God and the home, I am not having in mind a family composed exclusively of saints. To live righteously, soberly and godly in this present world to the extent of one's ability is what every one should do—no less.

AN INUNDATION OF UNBELIEF

In our day the shackles of ignorance and superstition are breaking. Men, women and children are beginning to think for themselves. They no longer believe the fairy tales of childhood. The dreadful hobgoblins and nightmares of the Dark Ages respecting purgatory and eternal torture are doubted by all, and by the great mass totally disbelieved. What have they now to attach them to the Almighty, since they have never been taught the love of God, the lengths and breadths and heights and depths passing all human understanding? This is the world's great need—to know God as He really is, a Father, a Friend, a God of love! And to thus know Him the people need to be taught how seriously they were mistaken in the past along the lines of hell and purgatory.

"TAG DAY" FLOWER FESTIVAL

Reports on Vienna's first "tag day," which was arranged by a committee at which the Archduchess Maria Josefa was the head, for the benefit of "poor and homeless children," show that it was a great success. "The idea was borrowed from America," says the report, "but instead of the 'tag' we used an artificial flower and called our collection campaign on Monday a 'flower festival.' The city was divided into many districts, and 6,500 girl volunteers were each accompanied by a man to carry the hedge of roses offered by them for sale in the streets and theaters."

AWAKENED PARENTAL RESPONSIBILITY

It is high time that parents realize the true situation—it is almost too late now. The seeds of unbelief already sown in the minds of the rising generation are being watered continually and are growing. All who love their families, all who love mankind in general, should awaken to the fact that a world that has lost its God must of necessity be an unhappy world. Platonic philosophy may serve the purposes of the few, but surely cannot serve the masses of our race. A godless world will ere long mean a disoriented world, an unhappy world and, by and by, a world of anarchy and strife. This is what our world-wide education is leading to. Few of our race can stand an education which recognizes no God, no revelation of Him, no responsibility to Him, and no hope of a future life which will be effected by the conduct of the present.
