A FREE LECTURE

Under the auspices of the local branch of the International Bible Students Association

MR. L. F. ZINK
recently of Australia, will speak at
**G. A. R. Hall, Sunday
AT 3 P. M.**

Topic:—**"Must We Abandon
Hope of a Golden Age?"**

A subject of much interest to all humanity. With knowledge upon all subjects rapidly increasing, this is one in which all are deeply interested. Mr. Zink will show from the Scriptures that we are approaching a great dispensational change, when everything will be changed for the better and mankind lifted up and blessed.

The object of this lecture is not to establish a new sect, but for the promotion of a better understanding of the Bible in these days of doubt and skepticism. The lecture is highly recommended and will appeal to all who are interested in hearing a lucid explanation of the Bible prophecies relating to the future. The lecture is strictly non-denominational.

BASEBALL BUNTS

Keene defeated Bellows Falls in the Twin-State league yesterday by a score of 7 to 2. Keene lead all the way and scored four runs in the eighth inning.

"Bill" Powers, the former Rutland and North Adams pitcher, who has been seen in action here on several occasions, was in the box for Hartford against Waterbury Thursday and held his opponents to three hits.

North Adams defeated the Chinese University team of Honolulu yesterday by a score of 6 to 5. The Orientals did not show up so well at the bat as the Tunnel City players but their work in the field was of the sensational order.

Brattleboro defeated Northampton yesterday at Northampton by a score of 4 to 2. Riddon, the former Bennington third baseman, made two hits out of four times at bat and accepted his seven chances at second without an error.

Dowd, the former Holy Cross pitcher who was last seen in this vicinity when he pitched for Hoosick Falls against Bennington, is now with the Utica team of the New York state league. He won his game against Troy Thursday by a score of 7 to 5 in spite of the fact that he was batted for 11 hits.

"Buster" Brown, the Williams shortstop, has been secured to cover that position on the Pittsfield nine for the remainder of the season. He joined the club at Bennington Wednesday and made a good showing in his first game. With Brown at short, Manager Noonan has shifted Cawley to second base. What will be done with Carroll when the latter player gets in shape again has not been announced as yet—North Adams Transcript.

Col. William H. Phillips of Amherst, the veteran editor and author of "The Pathfinder to Graylock Mountain, the Berkshire Hills and Historic Bennington," was injured on Thursday evening in Holyoke while alighting from a trolley car. He had

left the car and was reaching for his hand bag when the car started. He was thrown heavily to the street. One side of his face was scraped and bruised. He refused to have a physician and left later for his home in Amherst.

Mikey Jacobs, who covered third base for the North Adams club last season, has been released by Worcester. Manager Burkett of the latter club has not been satisfied with the Jacobs work during the past few weeks and he recently benched him. It is believed that Jacobs was released more because of trouble with the manager than because his playing was not satisfactory. Mikey was batting close to the .300 mark while his fielding was fair during the time that he was with Worcester.
