NATIONS BEFORE GOD'S JUDGMENT BAR

"Weighed In the Balances and Found Wanting."

Judgment Day of Nations Begun. Professedly Christian Kingdoms Manifesting Their True Character. Responsibility Proportionate to Light and Opportunities Ignored.

NEWPORT, R. I. July 16.—Pastor Russell delivered a forceful address before the I. B. S. A. Convention here today. His text was "The Lord your God loveth you, to know whether ye love the Lord your God with all your heart and with all your soul."

(Deut. 10:12) A report follows: "Whoever looks out over the world today can perceive that God is judging the nations, especially those that have been greatly blessed with His favor..."

The world's responsibility is proportionate to its light. Surely God would expect more of the peoples of Europe than of Asia and Africa, who have little knowledge of Him! So just at this time, when Bible chronology shows that God's lease of power to the Gentile governments has expired...

With the exception of Turkey, the peoples of Europe claim to be Christians. The Lord is now judging them, not having been taught God's way, the masses are demonstrating that they are not His children. Not having passed from condemnation to justification by faith in Christ's redemptive sacrifice and by full consecration to God, they are still in their sins. Seemingly they have no proper conception of their privilege of presenting themselves living sacrifices to God...

The Pastor fears that our own country will not escape in the impending judgment. There is much of Christian profession here—a form of godliness devoid of its power—much of worldliness, extravagance and corruption. There is also much of restlessness and dissatisfaction. Indeed, the whole world is becoming crazed as men's angry passions are being stirred up...

GOD is also judging His true people. (1 Peter 4:17) While He has judged them throughout the Age, yet His judgments are now to accomplish a separating work. (Matthew 13:30) Nevertheless the faithful amongst His people can rejoice, for their deliverance is at hand, even at the door, and will bring everlasting peace and blessing.

Constipation and Indigestion. "I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere. adv-21 4t
