Late advices from Boston indicate that the state supreme court has affirmed Master Poyer's finding in the Russell will case. The Dan Russell, so well known to Dickinson, will likely have a hard time appealing the case and getting a hearing before the full bench.

the press of the country will find little of interest to say about him in the future.

Gov. L. B. Hanna starts the subscription with a \$5,000 donation for a permanent endowment for Fargo college. Unless \$100,000 can be raised in Fargo it is said that the college must close its doors.

On Christmas day, the day of universal rejoicing and happiness, the city of Calumet, Michigan, was saddened by one of the most awful calamities since the burning of the Iroquois theater in Chicago.

'PASTOR RUSSELL EXPOSED' The Grand Forks Evening Times has this to say editorially of the stuff which many publishers are using under the caption, 'Pastor Russell's Sermon.'

MORE RAILROAD SCHEMES There are good reasons for believing that the farmers south of Beach have been offered a fake railroad proposition. A man by the name of Cox from Minneapolis has a scheme to get the farmers to give bankable notes, it is said, that would give him \$7,500 per mile for an electric road, said notes to be paid as soon as the road is surveyed and laid out.

Your Annual Rust and Rot Bill--Cut It Down

Don't you get tired of paying rust bills every spring? Don't you find it a heavy drag on your finances to buy new machines every three to five years when they ought to last 5 to 10 years?

This is the beginning of the new year. Why don't you make plans at once to protect your machinery from now on?

You can't figure out a better New Year's gift to yourself and family than a piece of equipment that will save you anywhere from \$50 to \$100 and up every year.

A nice calendar is yours for the asking.
