PASTOR RUSSELL'S SPECIAL TRAIN

HIS ADDRESS TO BIBLE STUDENTS

Zionism the Hope of the World.

Two Zions and Two Classes of Zionists, but All Parts of the Great Divine Arrangement For the Blessing of the World and Its Uplift From Sin, Degradation and Death, Is Pastor Russell's View.

San Francisco, Cal., June 25.—Pastor Russell addressed large audiences twice today at the Golden Gate. He addressed a convention of the "International Bible Students Association" in session here.

He has been making a sort of continental tour, including Indianapolis, St. Louis, Kansas City, Pueblo, Colorado Springs, Denver, Salt Lake City, Los Angeles, Pasadena and Santa Cruz. In all these cities local branches of the "I. B. S. A." invited him and made arrangements for public addresses. A train-load of Bible Students are with him—about one hundred and fifty in all.

Meetings are to be held returning at Sacramento, Portland, Tacoma, Seattle, Vancouver, Calgary, Winnipeg, Duluth, Buffalo and Toronto. The scheme is a novel and a benevolent one; for surely what he has undertaken and is carrying out is not a lazy man's burden.

The Earthly Zionism.

Speaking from the text, "The Law shall go forth from Mt. Zion and the Word of the Lord from Jerusalem" (Isaiah 41, 3), Pastor Russell declared that Christians had inadvertently misappropriated to themselves many promises of the Scriptures which are not wholly theirs. Christian creeds and theories have surmised that, through the rejection of Jesus, all Jews dying in unbelief of Messiah were foreordained to an eternity of torture because of that unbelief in the Only Name.

A more careful study of the Bible, he declared, is showing Bible Students the error of this position. Jews who do not accept Jesus as their Savior and who do not become followers in His steps in the "narrow way" will indeed fail of attaining a place with Jesus in His Throne of glory. They will fall to become joint-heirs with Him in His glorious Messianic Kingdom. They will fail to become members of the spiritual Seed of Abraham, respecting whom St. Paul said, "If ye be Christ's, then are ye Abraham's Seed and heirs according to the promise (Galatians 3, 29).

The Heavenly Zionism.

The Zionism of the past eighteen centuries has been of the heavenly kind. It has been calling and inspiring to loving zeal, obedience and activity such as have the "hearing ear," the heavenly calling to joint-heirship with Messiah. This glorious privilege is about to end because the full number predestinated of the Lord will soon have been completed. Meantime, the Pastor and others of God's consecrated people should be Zionists in the highest sense of the word and, laying aside every weight and every besetting sin, each should strive to make his "calling and election sure" to a place in the Heavenly Zion—the Kingdom of Messiah.

It will be from this Mt. Zion, the spiritual Kingdom of Messiah, that the Law will go forth during the thousand years of the Messianic reign; the great Judge and Law-giver of the world will be the glorified Redeemer; and His associates, in His various offices of Prophet, Priest, King, Judge and Mediator, will be the faithful Zionists of the present time who follow in the steps of their Redeemer, delighting to lay down their lives for the Truth's sake and for the brethren's sake, in co-operation with the great Captain of their salvation, through the merit of His imputed righteousness.

The Word From Jerusalem.

As soon as Mt. Zion, the Kingdom, shall be completed by the glorification of the last member of the Church, it will be time for the Law to go forth

therefrom for the correction of the world's affairs in righteousness—for the overthrow of every form of iniquity and everything contrary to the Golden Rule. In other words, when the Kingdom class shall have been completed by the elective process, which is the Divine arrangement of this Age, forthwith that Kingdom will come into power and the reign of righteousness will begin.

Zionism, amongst the Jews today, we believe the Lord is stirring up—a preparation of natural Israel for the great blessing which so soon will be at their door. As they begin to really appreciate the Land of Promise, the rich promises in connection with that land must become theirs, and the inspiration of those promises will lead their hearts back to the Lord in prayer and supplication and will lead the feet of a reverential, representative number of them back to the land itself, to which the Lord declared He would bring them; and that from thence they should be plucked up no more at all. Remember, in this connection, St. Paul's reference to the New Covenant and the time when it will go into force with Israel, as recorded in Romans xi, 27.

Civil War News In The Item Happenings of 50 Years Ago To-Day

Southern sympathizers and those who bore a part in the great war between the states have long desired the publication in easily accessible and readable form of an impartial record of the great events of the Civil War. The average person has not the money or the time to dig through the stupendous number of books which have been written on the subject. In the judgment of The New Orleans Item, the time has come when a fair and accurate and interesting narrative can be written regarding this great struggle. Accordingly, an article which has been prepared appears now each day in The New Orleans Item, telling of the great events of that day fifty years before. This is newspaper reporting fifty years to the day after the event. It must be remembered, however, that there never has been given a newspaper account of the war, in this way, for the papers of fifty years ago not only had not the facilities for securing the information, but they were violently partisan on both sides in all their reports. Again, the men on the firing line could not secure the papers. Every veteran of the Civil War will learn something new about the war itself from these reports. The interest in the war is far wider than that held by the veterans themselves, for most of their families, their friends and relatives and everyone, North or South, who has not had access to an impartial narrative like this, will be interested. The publication of the series has begun in The New Orleans Item and will continue indefinitely.

Subscriptions to the daily including the Sunday paper are 65c a month or \$7.00 a year. Once you have read one of these articles, you would not be without them, for they deal with events whose interest is more thrilling in general than are those of any period in the world's history.
