

FAMOUS RELIGIOUS EDITOR.

The famed Bible defender, the venerable Pastor Russell of London and Brooklyn Tabernacles, has won unstinted praise from the press and public of many nations by forty years' unceasing activity as evangelist and writer.

In the early part of his ministry smaller cities were frequently visited, but not so now, since his field of operation has become world-wide, and the urgent invitations to deliver free public lectures in the largest cities have become so numerous that even all of these cannot be accepted.

For the past several years Pastor Russell has made semi-annual foreign tours, and through the press reports of his meetings held in large public halls of the leading cities, he has received much favorable comment and publicity.

Wonderful Drawing Power. As a public speaker on Bible topics, Pastor Russell stands unrivaled—stands alone in a place created by his own individual work, a place not previously attained nor occupied by another.

The mammoth crowds that repeatedly assemble to hear him at every opportunity is conclusive evidence as to his drawing power. Last year, while conducting a series of Sunday meetings in the London Royal Albert Hall, Pastor Russell received written communications through the mail from more than six thousand persons, requesting printed copies of his sermons. So spontaneous a demand was both unprecedented and unlooked for. Another evidence of his popularity on the other side of the rolling blue is the publication of his weekly sermons in something over three hundred papers in England, Ireland, Scotland, Australia.

The Editor of Great Britain's foremost family paper, The People's Journal, has so aptly commented and acted on the matter that we can do no better than to quote here the heart-to-heart talk he gave his readers. He said:—

A Wonderful Preacher. "It is not the non-church-going tendencies of the Age that I want to talk to you about, although my theme is more or less closely connected with that subject. You have all, I think, heard of Pastor Russell, the wonderful American preacher, who has just been inducted to the charge of the London Tabernacle. Known all over the United Kingdom and thousands of miles beyond, as the pulpit of the revered Spurgeon. Mr. Russell has achieved a position in the world of religious thought unequalled by any living Divine. And, curiously enough, he delivers his message to far more people outside the church than could ever be brought together within the walls of the largest temple in the Universe. His sermons and writings have won for themselves an extraordinary popularity in America and I am credibly informed that Pastor Russell's printed books on religious subjects are excelled in circulation only by the Bible itself. Just think what this means. It means that millions of people all over the world have found something in Pastor Russell's sermons, essays and lectures which they have been unable to discover in any other religious writings apart from the Great Book itself."

A Weekly Talk. "Now, to come to the crux of the matter. I feel sure that the vast majority of my readers will learn with pleasure that I have arranged for a weekly contribution from the pen of Pastor Russell. A 'sermonette' Mr. Russell himself calls it, but I have an idea it will be found to be something more, something fuller, than merely a condensed sermon. I have been reading a selection of the famous Pastor's religious writings, and they appeal to me as being more of the nature of quiet, discursive talks on serious subjects than sermons or pulpit deliverances of the conventional description. Pastor Russell is a clear, easily understood thinker; he explains dogmas and all subtleties of form and faith, and he says what he has to say on the great truths of religion and morals in plain but always beautiful language. He speaks and writes not only to the ordinary church-goer, as we accept the phrase, but to all intelligent men and women, and I for one can quite well appreciate the unparalleled popularity which he has achieved in America—a popularity, I feel convinced, he will very soon equal in this country. Pastor Russell's talks will begin in the Journal next week, and I am hopeful that they will be an extremely popular feature of the Journal."

The Press of America. Pastor Russell's popularity abroad does not deprive him of the honor of preaching to the largest congregation in America. Surprising as it may seem, his sermons are at present published in more than one thousand newspapers in America, reaching approximately ten million homes weekly. Last June and July, while making a trans-continental tour to attend the Bible Students Convention at San Francisco, Pastor Russell made several stops en route, and the reception everywhere accorded the "American Spurgeon" was most heart-cheering.

Many excellent accounts of his meetings were published. "The San Francisco Call," in making reference to what other papers were saying, interestingly summarized as follows:—

"Pastor Russell's given name has been lost to public record during the last ten years, in which he has been famous as the great 'Pastor' plain Pastor Russell—who has swayed hundreds of thousands in this country and abroad.

"Do they come to hear him? Well, rather. So far it has been impossible to engage a hall large enough to hold the crowds. Dreamland Bink has been hired for this occasion. In Kansas City, Denver, Salt Lake and Los Angeles the Pastor and his faithful crew have taken the populace by storm. The newspapers have given him more space than a war scare and print his speeches like a Presidential message."

Has Many Interpreters. Pastor Russell recently returned from a "Round the World" Tour. His was a twofold work, as he by appointment was to investigate certain matters pertaining to Foreign Mission activities, and also to deliver public addresses in Great Britain, Greece, India, Ceylon, China, Japan, etc. He is soon to be in our Father's House, which will induce nearly all of the countries not previously visited by him. Thus the decision that the "Gospel of the Kingdom" shall be preached as a witness to all nations in all the world will, by the end of this year, practically be fulfilled by him alone.

SATAN'S MONSTROUS LIE; WHAT HARM IT DID

Pastor Russell, Quoting Jesus, Says Satan Is Father of Lies.

The First Lie—Where It Was Told. Why It Was Told—To Whom Told. Its Result—Its Repetition—The Disastrous Results to Humanity—All Manner of Crimes Are Its Fruitage—The Only Remedy—Why?—When?—How?

Reading, Pa., Feb. 8.—Pastor Russell today called attention to the fact that the Bible teaching respecting Satan has been seriously departed from by Christians. Nothing in it supports the thought that Satan is far away, superintending the torture of humanity, or that he has cloven hoofs, forked tail, horns, etc. On the contrary, the Bible describes him as originally one of God's noblest creatures—a "cherub."

Since his fall, Satan's residence is in our atmosphere—Tartarus. He is "the prince of the power of the air" that now worketh in the children of disobedience, presenting himself as "an angel of light"—a servant of God.

When and How Satan Fell. The Pastor stated that the Bible explicitly declares Satan's sin to be pride and improper ambition. Seeking to usurp Divine prerogatives, he ensnared himself and rebelled against God. His ambition found no opportunity for exercise until man's creation. Then, beholding this human pair, he perceived that to capture them would be to capture a race, and to achieve in this earth his ambitious plans.

Satan took advantage of the test of loyalty which God put upon our first parents. Obsessing the serpent, he guided it continually to eat of the forbidden tree. The serpent not only did not die, but was the wisest of beasts, thus seemingly giving the lie to God's statement, "Thou shalt surely die."

The Pastor thinks it unnecessary to suppose that the serpent spoke audibly. Actions can speak. Eve was convinced that the Divine Law was selfish, and that the forbidden fruit was desirable, to make her wise. St. Paul explains that Adam was not deceived. Realizing that his beloved wife would die, he preferred to die with her. Hence he became a wilful sinner. Presently God drove our first parents from Eden, that thus His death sentence might be executed.

Satan Adopted Another Plan. Disappointed in that humanity were perishing, Satan formed another plan. He would cope with God by injecting new life into the human race. He would have an empire, despite the Divine will.

To do this he proposed to the angels that they materialize and live as men—contrary to their nature. To those who objected that this might displease God, Satan presented the argument that if God really possessed the power, He would have punished him, for he had been an enemy of God for some time. The argument was successful, according to the Bible.

For centuries a process of engrafting angelic vitality upon Adam's stock progressed. We read, "The sons of God beheld the daughters of men that they were fair; and they took them wives of all they chose." We read that their children were "giants, men of renown." But they bore no stamp of Divine character. They were brutal, sensual, devils.

The children of Adam became the slaves of these giants. Thus the Scriptures tell us that the earth was filled with violence, and men's thoughts were evil continually. Apparently Noah and his family remained pure Adam's stock. Then came the Deluge, already prepared for in the Divine Plan, and all mankind perished, except Noah and his family.

Satan's Lie Otherwise Supported. Thwarted again, Satan began a new system of tactics—to persuade mankind that his original lie was truth—that those who seem to die really become more alive. To assist in this deception, he had the support of the fallen angels, sentenced with himself to remain in Tartarus—the atmosphere.

Necromancers, witches and wizards were developed. The fallen angels, speaking through those mediums, personated the dead. Gradually, this system of error spread, until no nation can be found where these evil spirits have not incorporated Satan's lie. Even amongst Christians, Satan's word is accepted, and God's Word rejected—"The soul that sinneth, it shall die."

The Foundation of All Errors. Pastor Russell declared that nearly all theological errors are based upon this doctrine of demons—that men do not really die. Where, he asked, would be the doctrines of eternal torment, purgatory, masses for the dead, etc. If people really believed God's Word that the dead are dead, and that their only hope lies in the resurrection, secured for them by Jesus' death?

The speaker believes that mediums, who today support Satan's lie, are themselves deceived. His pamphlet on Spiritism has recovered many honest mediums, who after learning that they were agents of Satan and his demons, have become children of God.

SPiritISM SAID TO BE DEMONISM.

A most interesting little brochure has recently come off the press setting forth with Bible proofs that the communications received by and through Spiritist Mediums is of Demon origin. The writer traces his subject through the Scriptures from the time when certain of the holy angels became disobedient. He proves from the Scriptures that these fallen spirits personate the human dead, with whose past history, spirits, though invisible, are thoroughly acquainted. He shows that they also frequently personate the Creator and the Redeemer, commanding their deceived ones to pray, do penance, etc. This, however, is merely to lead them on and to bring them more thoroughly under demonic control. Sometimes by breaking down the natural barrier, the human will, they possess their victim, and rule him more or less to his ruin—frequently sending such to the mad-house. Numerous illustrations, Scriptural and otherwise, are given. The price of the little book is but ten cents; it should be in the hands of all interested in Spiritism or who have friends interested therein.
