THE HOME RULE CLUB SELECTS A PICNIC DATE

CELEBRATION FATHERED BY THE IRISH PEOPLE OF THIS CITY WILL TAKE PLACE ON JULY 14 AT THE BEACH.

At one of the most enthusiastic meetings of the Home Rule Club, which was held last night, it was decided to hold the proposed celebration of the Home Rule victory on July 14, to take place at Palmetto Beach.

This is the anniversary of the "fall of the Bastille," as Mr. LeBaron put it. The object of the club is to give the people of this place one of the most enjoyable days that they have ever had. All of their friends are urged to keep the date named free from all other engagements, so that they may all attend.

Dancing and music will be features. It will be a basket picnic affair, and there will be an attempt to get out the largest attendance of any like occasion. Free brass band music will be given as a feature, and dancing will be indulged in by all who care to so enjoy themselves.

There will be no charge for admission, and only the most objectionable parties will be kept from the grounds. Another meeting will be held next Monday night, and at that time there is a probability of the several speakers for the day to be selected.

Cessna Bay party tonight, 8 to 10:30. Fare 35c.

ADELINA PATTI, THE QUEEN OF SINGERS

There was a time, and it is not entirely passed, when to mention prima donnas you would instantly think of Adelina Patti. She was born in Madrid, Spain, and her parents were operatic singers of Italian ancestry. She first sang at an early age in New York, but her fame was secure after her first appearance in London, and from that time she held high rank as one of the first singers of the day. Her rich bell-like quality of her voice and remarkable evenness of tone had a range as a high soprano never surpassed, and her cadenzas and trills

NOT AN ISOLATED CASE

Many Similar Cases in Pensacola and Vicinity.

This Pensacola woman's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

Mrs. C. F. Lehr, 823 E. Government St., Pensacola, Fla., says: "One of the family had to do a lot of heavy lifting and probably the strain of this was the direct cause of kidney trouble. He often came home at night all stooped over from the pain in his back. He couldn't sit down. He felt all tired out and was losing strength rapidly. I finally persuaded him to get a box of Doan's Kidney Pills at the Crystal Pharmacy and try them. He had taken the remedy but a few days when I could see he was much better. He continued and in a short time was cured."

A PERMANENT CURE.
On January 16, 1914, Mrs. Lehr says: "The statement I gave before praising Doan's Kidney Pills, still holds good. There has been no relapse. I am now using Doan's Kidney Pills in the family since Doan's Kidney Pills were taken."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lehr recommends. Foster-Milburn Co. Props., Buffalo, N. Y. (Adv.)

How to Banish Wrinkles Quickly

If your face is disfigured with wrinkles, no matter what the cause, you can quickly dispel every line, even the most obstinate by using a simple, home-made wash lotion. Merely dissolve an ounce of powdered salicylic acid in a half pint of water. Wash your face with this lotion twice a day. Bathe the face in this, and— presto!—you scarcely believe your own eyes when you look into your mirror and behold the marvelous transformation!

The remarkable astringent action of the salicylic acid tightens the skin, wrinkles are literally pressed out. Best of all, this result is not purely temporary, for the lotion also has a beautiful tonic action, which tends to strengthen and tone up the weakened tissue, and so the benefit may be expected with continued use. Use this once a day for awhile. It cannot injure the most delicate skin, the treatment itself leaves no trace—no one guesses the secret of your increasing youthful appearance. (Adv.)

were the delight of her admirers. Adelina Patti will owe much of her fame to the way and manner in which she sang "Comin' Thro' the Rye," although her greatest success was "Marguerite" in Gounod's "Faust." She never underestimated the value of the songs that touched the heart. "The Last Rose of Summer" is a song that will always be identified with Patti.

"Comin' Thro' the Rye" and "When to Thy Vision," from Gounod's "Faust," both are to be found in "Heart Songs," the book now being offered to the readers of The Journal, at cost of distribution and six coupons. "The Last Rose of Summer" is to be found on page 146 of the volume, and is only one being offered to the readers of The Journal, at cost of distribution and six coupons. ANOTHER SEAL MAKES ESCAPE

SOME ONE RAISED WIRE ENCLOSURE AND ALL ANIMALS GOT AWAY BUT FIVE WERE RECAPTURED.

Some unknown person raised the wire of the enclosure penning in the city five Mexican seals at Bayview park some time Sunday night and yesterday morning this was discovered, together with the fact that all of the seals had made their escape. Five of the animals were recaptured during the day, but one of them made a good get away and although seen a number of times it could not be caught.

CITY ASKED TO OFFER BONDS AT PRIVATE SALE

BOND BUYERS WHO HAVE BEEN CUSTOMERS OF THIS CITY BEFORE, IN THE PURCHASE OF SECURITIES, WRITES.

According to a telegram received by the Mayor yesterday, the city stands a chance of selling the dock and light line bonds at a private sale, and this is what was requested yesterday by a company in Cincinnati, which has in the past purchased Pensacola bonds, and which intimates in a telegram received at 2 o'clock in the afternoon that they need the present bonds, asked if it was possible for the issue to be sold at private sale. The further information was volunteered that "we might offer 92 if this can be arranged."

Mayor Greenhut and the commissioners were pleased at the offer, especially as it comes from a firm who has in the past purchased the city's bonds, and who has in the past purchased the city's bonds.

Other inquiries were received concerning the success of the recent opening of bids, and the indications are that there will yet be received an offer of more than 95.

At the meeting of the city commissioners which was held yesterday afternoon, a communication was received from the comptroller which gave the names and addresses of 34 firms of security buyers, with the statement that they were "financial houses and bond buyers to whom unusual statements, advertisements and blank forms of proposal was sent for the purpose of giving information in re sale of \$400,000 dock and light line bonds." Advertisements were inserted in but two publications, however.

There is more of human interest in The Journal's "Want Ad Way" page than in any other part of the paper.

AMUSEMENTS

Bonita Today—The Brute.

Malcolm Williams, one of the foremost character delineators on the American stage, makes his initial appearance in motion pictures in "The Brute," a great and vital drama of today and all the time. "The Brute" is a powerful portrayal of the world-old conflict of the sexes, as old as the hills, yet as new as tomorrow's dawn. It is a tense drama of the clash of wills between a strong man, and a haughty, sophisticated woman, the climax of which hangs in the balance until the man, in righteous indignation, asserts his full physical strength toward the subjugation of the woman. He who asserts his supremacy, and eventually conquers and forgoes his necessary and valid wife is vividly portrayed in the further development and finale of this exciting realistic drama. A drama that will reach the great heart of the masses.

SHORT MEETING OF CITY BOARD

ROUTINE MATTERS WERE DISPOSED OF—LIGHTS ARE ALLOWED UPON THE PETITION OF THOSE INTERESTED.

A short meeting of the board of city commissioners was held as usual yesterday afternoon, but there were no important matters brought up. A special assessment certificate charging the paving costs of a portion of Palafox street between Chase and S. Keyser, was changed in a resolution introduced and adopted. The charges were fixed against Mrs. Bertha Heiberg and Alfred Davis, respective owners of the property in question.

Echo of Stock Law. Representing that the gate of the enclosure where their stock was kept had been left open without their authority, these allowing their stock to get out and roam at large on the streets, the firm of Levy & Hallmark petitioned for a refund of pound fees amounting to \$4. This was granted.

The said firm stated in a communication that their stock had gotten into the street in some manner that they were not capable of explaining, and they believed the pound fees had been unjustly exacted. Citizens near the corner of J and LaRue streets petitioned for a light on that corner, and such was ordered. A communication certifying to the finishing of pipe laying by a local firm of plumbers was received and ordered filed. This was for an extension of the mains in the lower western part of the city.
