Miss Weller Buys A Mason & Hamlin **Grand Piano**

Miss Elma Weller, one of Salem's most prominent music teachers, has just purchased a beautiful Mason & Hamlin Grand Piano from R. F. Peters, manager of the Wiley B. Allen Co.

Miss Weller's knowledge of piano quality, appreciation of superior tone, and admiration of elegant finish prompted her to select the Mason & Hamlin as the ideal above all other pianos.

That the Mason & Hamlin is selected by musical artists of long experience is ample proof of the quality of these instruments. The example of those who know real piano quality should be your guide in purchasing piano satisfaction.
