## THERE IS ONE GOD AND ONE MEDIATOR

The World Needs a Mediator,  
Church Needs Advocate.

Pastor Russell Addressed Two Large Audiences in Stockholm Yesterday. Left to Fill Lecture Appointment in Copenhagen, Brussels and London.

Stockholm, August 25.—Pastor Russell of London Tabernacle addressed two large congregations here in Swedish and left for Copenhagen, Kiel, Brussels and London. We report one of his addresses from 1 Timothy II, 5, 6: "There is one God, and one Mediator between God and man, the Man Christ Jesus, who gave Himself a Ransom for all, to be testified in due time."

Many wonder why God does not forgive sin freely without requiring the death of Christ as a basis for reconciliation. We are to forgive those who trespass against us, because we do not occupy the place of Creator and Judge towards our fellows, and because we ourselves are sinners like others. For the Creator to forgive sin and remit its penalty unconditionally would be to admit either that the Law and penalty were too severe or that man was imperfect in his creation and unable to keep a perfect law.

**Justice Cannot Admit Either Premise.**  
Divine Justice cannot admit either premise. Man was created "very good;" and the Law was reasonable, and the penalty just. For God to have overridden the justice of His own decree would have opened the door for transgressions on the part of angels, for each creature might justly claim the privilege of sin and forgiveness. This would vitiate justice. Instead, God manifested His love by providing a satisfaction for man's sin, a substitute under the penalty—Jesus.

The *Logos* was made flesh, and died willingly; "for the joy that was set before Him He endured the cross." The joy included the work mentioned in our text and also His own exaltation to the right hand of Divine Majesty.

Thus the Man Christ Jesus laid down an unfeigned human life and received the divine nature and glory far above angels. The human life laid down is to be "a ransom for all, to be testified in due time" (1 Timothy II, 6). But that due time has not yet come nor has that sacrifice been appropriated for mankind. Hence "the sin of the world" is not yet taken away, although as the Mediator, Jesus has laid the price of human redemption in the hands of Divine Justice.

Jesus awaits the gathering of the Church, over whom He is Head. He, with the Church, His Body, will constitute the great Mediator, who will inaugurate the New Covenant, after completing His "better sacrifices." (Hebrews ix, 23.) The first of these was His own flesh; the remainder is the flesh of His Church; thus He said to Saul of Tarsus, "I am Jesus whom thou persecutest." See also Ephesians v, 30-32.

When the foreordained number of His members shall have passed to Him beyond the veil, then the great Mediator will be completed. Then blood-atonement will be applied on behalf of the world, and Divine Justice will accept that ransom-price. Thereafter the world will be free from the death sentence. Forthwith Christ will establish His Kingdom for restoring all that was lost in Adam.

No longer will it be true that the world lies in the Wicked One; thenceforth the world will be under Messiah's Kingdom. Satan will be bound. The knowledge of the Lord will fill the earth, and every creature will have opportunity of return to the Father's House. The wilfully disobedient will be destroyed in the Second Death.

**"We Have an Advocate."**  
It will be observed that the Church is separate and distinct from the world and developed as the Body of the Mediator. The Church is called to become partaker of her Redeemer's sufferings and His divine nature. She was, by nature, "children of wrath even as others," hence needs Divine mercy also.

The invitation of this Age is to suffer with Christ, to sacrifice earthly interests and hopes, to be dead to the world with Him, and thus to be made sharers with Him in His heavenly glory and Kingdom.

But none is worthy to offer sacrifice nor could God accept imperfect sacrifices; hence the Divine provision is that we present our bodies to the High Priest for sacrifice. He then becomes our Advocate, and, in harmony with the Divine will, accepts us as "His flesh" and sacrifices us as such, imputing to us of His own merit to cover our blemishes. Thus the Church is "accepted in the Beloved." Thus suffering with Him as His members, we receive also a share with Him in His reward as members of the Body of Messiah, through whom God's blessings are soon to be dispensed to the entire groaning creation, under the terms of the New Covenant. An appreciation of the Divine arrangement helps us greatly to estimate our privilege of suffering with Him, that we may also reign with Him.

### Hogwallow News.

The *Ticket's* Tiding failed to get out a paper this week, this incident having been overlooked in the excitement which followed the tending in of a page ad by a local merchant.

On last Friday night Sam Flinders saw a star fall in the vicinity of the Wild Onion school house, and has left for that place in his wagon. He expects to return with it to-night.

The deputy constable brings the news that they are going to let Taft know he is nominated on August 1st. The result was in all of the papers the day it came off and Sam Flinders says he bets Taft has heard of it before now.

Sidney Hooks has bought a suit of clothes and has got his hair cut in an effort to elude the deputy constable. This completely disgraces Sidney.

In an attempt to end his life yesterday, a relative of Nat Smith, living in the Cliff Hills neighborhood put on his overcoat and heavy pants.

The tin peddler visited this section again this week, and brought with him a thermometer, the first that has been seen in this section. It attracted a good deal of attention and was put in advertisement.

Everybody looks into an old cistern.

Dry weather has been prevailing in this section for several weeks. It is believed that a few good soaking rains would do away with this drought.

The proprietor of the moonshine has put a bed on a tall post near by, for the use of his patrons who are wanting a drink while he happens to be absent, and the public is requested to let his wants be known by tinging this bed. The old bed that stands on another post near by has no oppor and can be used by those who do not want a drink.

The singing held at the Dog Hill church last Third Sunday was not so very well attended, as it had become generally known who was going to sing. Sidney Hooks was the only one seriously affected by the music, it having caused his nose to break loose.

### HOUSEHOLD HELPS

**SUGARING DOUGHNUTS.**  
When you wish to sugar doughnuts, cut several in a paper bag and shake it well for a minute.

**HOW TO PROTECT FLOORS.**  
Glue pieces of felt or pieces of old rubber to the bottom of the chair legs, and there will be no scratched floors and less noise.

**DRY IN THE SHADE.**  
When washing white muslin garments do not dry in the sun, for this will turn them yellow. Dry in the shade or in the house.

**PEACH SHORT CAKE.**  
Prepare a rich pie crust and roll thick. Spread in a long, flat pan to bake a light brown, and quite crisp. Spread with butter while still hot and sprinkle liberally with sugar. Have ripe peaches, sliced and well sugared. Pile upon the crust and serve with whipped cream.

**LEMON ICE.**  
Put in a vessel half a pound of powdered sugar, with a quart of cold water; grate in the rind of a large lemon, or of two small ones, squeezing in the juice of three lemons or four small ones, and with the spatula beat together for five minutes. Taste; if it may require a little more sugar; strain into the freezer and proceed exactly as for ice cream.

**TO REMOVE SPLINTERS.**  
When a splinter has been driven deep into the hand, it may be extracted, it is said, by means of steaming. Nearly fill a wide-mouth bottle with hot water. Place the injured part over the mouth of the bottle and press lightly. The suction will draw the splinter down into the neck of the bottle and in a short time the steam will extract the splinter and the inflammation together.

### Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Anna Kouns, 211 Mechanic St., Pueblo, Colo., says:

"For many years I suffered from nervous prostration; I was unable to do any house work and doctors failed to help me. Remedies I tried from druggists did not do me a particle of good. A neighbor told my husband about

**Dr. Miles' Nervine**  
and he procured a bottle. After the first few doses I showed a marked improvement and after taking two bottles I was entirely cured. I have been perfectly well for years and cannot praise Dr. Miles' Nervine too highly.

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

**Dr. Miles' Nervine**  
has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. **MILES MEDICAL CO., Elkhart, Ind.**
