### STOP PROFANITY

WE clip the following from the West Point Leader, with our unqualified endorsement:

Masons in Iowa have taken steps to eliminate profanity from the order. Masons of Tennessee are also considering the matter. This great order is to be commended for this move. Profanity is ungentlemanly, to say the least of it. Some men imagine it strengthens assertions they may make to emphasize them with blatant oaths. In doing so, they show contempt for God and man. It is a low down, dirty practice and no gentleman should ever let an oath pass his lips. A prominent official of Masons has this to say on the subject:

"There is one matter to which I desire to direct your attention. The strongest portion of the foundation upon which Masonry stands is reverence for the Divine Being, the Grand Master of the great universe in which he operates. No man can be a Mason unless he believes in God and looks to Him in worship. This being true, the name of God should be sacred to every member of our beloved brotherhood. It should never be lightly considered, even in our thinking, and should never fall from our lips except in worship or adoration. Any man who takes this holy name in vain is guilty of conduct unbecoming to a Mason. Such a thing as profanity should be as foreign to the members of our order as it would be for us to neglect a needy brother."

### ALMOST A PICTURE GALLERY

OUR Special Edition will be issued April 7. Our inability to get the necessary office force, prevents our getting out earlier than the above-named date. Besides the good reading matter, the paper will be almost a picture gallery. Let the issue say something about you or your business, dear reader.

THE headlines in the daily press would indicate that some sanguinary engagements between the Mexicans and the insurgents were imminent, but the news items show the government quite able to cope with the situation. Why U. S. troops were sent to the Texas border has not yet been made public. President Taft either thought that Diaz would prove impotent or else he thought American interests on the border endangered.

A NUMBER of city postoffices are announcing the closing of the offices on Sunday. Cleveland, Toledo and a score of other cities, have led off in this matter; others are sure to follow. This is right and is but another step forward in a religious way.

SOME educator recently declared that false hair is not a modern invention and that "rats" were worn by Egyptian women 6000 years B. C. Nobody has yet dared to attempt to prove that the hobble skirt or the harem skirt were articles used to adorn the feminine form at that age.

HON. CHAMP CLARK, who is to be elected speaker of the national house of representatives, by the democrats, has accepted Chancellor Kincannon's invitation to deliver the annual address at the University this year.

BOOKER T. WASHINGTON was assaulted by a German in New York City a few days ago. This has never happened to him in the South.

THE provisional census of India gives a population of 315,000,000. This is a gain of 20,500,000 over the population of 1901.

## TWO DISTINCT SALVATIONS ALL IN ONE OR THE OTHER.

Every Human Being is to Have a Full, Fair, Intelligent Opportunity For Eternal Life—A Second Chance For Adam Only.

London, March 19.—Pastor Russell preached today at the London Tabernacle to an overflowing house. His text was taken from Hebrews 11: 3: "So great salvation which began to be spoken by our Lord and was confirmed unto us by those who heard Him."

Pastor Russell observed that according to our creeds the salvation will not be so great, but rather so little, so few—only the saintly handful out of earth's thousands of millions. He thought it evident, therefore, that the creeds were in error and quoted the prophecy that the Savior would see the fruitage of the "travail of His soul and be satisfied" (Isaiah 53: 11). The Pastor did not believe that Jesus would be satisfied with His work if He rescued merely a handful from eternal torture. He quoted various Scriptures which afford a larger hope, declaring that God sent not His Son into the world to damn the world, but "that the world through Him might be saved" from the condemnation already upon it because of Father Adam's disobedience. These Scriptures cannot be applied to the Church, but must be held as applicable to the world. Of the Church Jesus says, "Ye are not of the world."

Theologians for centuries have missed the key-note of the Bible, which is that the salvation of the saintly handful, the true Church or Bride of the Lamb, is merely a preliminary work—only the salvation of a "first-fruits" (James 1, 18). This first-fruits class or "Church of the First-born" is to have a different salvation entirely from that which is provided for the world. The Church is to constitute God's Kingdom, for which we pray, "Thy Kingdom come." Under its Messianic sway God's will will be done on earth even as in heaven.

### The World's Salvation Earthly.

As the Scriptures show distinctly that the salvation of the Church, or the Kingdom class, is to a heavenly plane or condition, they equally show that the salvation of the world is different—an earthly salvation. To the Church the Apostle wrote, We must all be changed in a moment, in the twinkling of an eye, because flesh and blood cannot inherit the Kingdom of God (I Corinthians xv, 50-52). Of the world's salvation we read not of a change of nature, but of a Restitution to the perfection of the nature already given to man, but lost through the sin of our first parents—redeemed through the merit of the precious sacrifice at Calvary. The Restitution Salvation which is to come to the world through the changed and glorified Messianic Church is described by St. Peter as awaiting its due time—the Second Coming of Christ—"Times of Restitution of all things which God hath spoken by the mouth of all the Holy Prophets since the world began" (Acts III, 19-23).

The fact is that the Old Testament Scriptures treat entirely of the Restitution blessings, incidentally mentioning also things pertaining to the great Messiah, through Whom those blessings will come. Christians have neglected study of the Old Testament Scriptures and hence have failed to get their blessing. Prior to the coming of Jesus no one ever dreamed of the First Resurrection change to spirit nature. Everybody had the Restitution view of salvation in mind—the hope of being raised up out of death to human perfection. Hence it was not necessary for the Apostles to emphasize this feature. Rather they drew the attention of their hearers away from the earthly prospects, which are for the world, and gave them the message of the "high calling."

### The High Calling Closing.

Now that the "high calling" is drawing to a close, having accomplished its election or salvation of the saintly handful, Divine providence is pointing us back to the Old Testament, that we may appreciate more than ever the "length and breadth and height and depth of the love of God which passeth understanding." Now we begin to see that the Scriptures foretell that Israel is to be the first amongst the nations to receive Messiah's blessing, as soon as His Kingdom shall have been established. Now we see how all the families of the earth will be blessed, not only through the Spiritual Seed of Abraham, typed by Isaac, and the Church, typed by Rebecca, but also through Abraham's natural seed these blessings will proceed to every nation under heaven. "All the blinded eyes shall be opened," "All the deaf ears shall be unstopped," "The knowledge of the Lord shall fill the earth," "The earth shall yield her increase." The wastes and deserts shall blossom as the rose.

Ultimately the Paradise of Eden will bloom again, world-wide—God's footstool made glorious. The resurrection of the dead is the salvation which God has promised, even as death itself is the penalty which He has proclaimed for sin. The resurrection will not only include the awakening of those who have gone into the tomb, but, additionally, the uplifting (resurrecting) of Adam and all His family from sin and death conditions, weakness, meanness, depravity, etc.—up to full human perfection in the image of God, as Adam was before he sinned, plus increased knowledge.

## FOR HUMAN OR ANIMAL FLESH

A remedy that is equally efficacious in healing the wounds, sores, sprains or other ailments of the flesh of man or beast.

## BALLARD'S SNOW LINIMENT

A healing remedy to effectively meet the needs of animal flesh need not be a harsh, strong mixture, too drastic for the human body; Ballard's Snow Liniment is proof of this. It ranks with the best of the flesh healing remedies designed for man; and it is equally as prompt in curing the wounds and flesh diseases common among animals. Owners of blooded horses prefer it to any other liniment because it leaves no disfiguring scars in any of the minor accidents or ailments. It heals by a mild power to which the flesh of horses responds readily.

It is of great value in healing harness galls, barbed wire cuts, wounds, festering sores and many other ailments to which horses are subject. In the relief of human suffering, it has done a world of good, particularly in easing the pains of rheumatism, neuralgia, sciatica and lumbago. When gently rubbed in where the pain exists, it gives a most gratifying relief to the afflicted. As a household remedy for cuts, burns, bruises, sprains, contracted muscles, stiff neck, frost bites, swellings, chilblains, ivy poisoning, there is nothing better on earth.
