

FUNERAL SERVICE FOR ROCKVILLE MAN IN HOME TODAY

Citizens Urge Sheriff to Close Attractions At Glen Echo on Sunday.

ROCKVILLE, Md., June 28.—Funeral services for Richard E. Bean, who died Wednesday night of a complication of troubles, will be held at 3 o'clock this afternoon from the family residence in Rockville. The Rev. Samuel R. White, of the Baptist Church, will officiate, and the interment will be in Rockville Cemetery.

Mr. Bean was fifty-eight years old and was a son of the late Basil Bean. He was a native of this county and had lived in or near Rockville all his life. Surviving him are his wife, four sons, and a daughter.

Mr. Edward C. Rickette, a well-known young farmer of Potomac district, and Miss Evelyn M. Anderson, daughter of Mrs. Frank Henley, also of the Potomac neighborhood, were married Wednesday evening by Rev. Homer Welsh, pastor of the Potomac Methodist Episcopal Church South, the home of the minister being the scene of the ceremony.

The Washington horsemen who planned to hold a race meeting at the Rockville fair grounds the afternoon of July 4 have abandoned the project. Josiah W. Jones, president of the fair association, has received word that those behind the project have decided that the granting of permission to use the track was delayed so long that sufficient time was not left in which to secure entries and make other necessary arrangements.

There is every indication that the operation of the various amusements at Glen Echo Park Sundays will soon have to cease. A number of the citizens of Glen Echo have filed complaints with the sheriff and State's attorney, and those officials have promised to see that the Sunday laws are strictly enforced.

The matter was called to the attention of Sheriff Howard and State's Attorney Spates yesterday by Henry C. Perry, a leading citizen of Glen Echo, who represented that for several Sundays lately the amusements have been in operation the same as on other days of the week. As a result of Mr. Perry's activity wholesale arrests are looked for should the amusements be operated any Sunday hereafter.

**Veteran Policeman On Pension List**

Favorable action has been taken by the Commissioners on the recommendations for retirement of Policeman James Mulvey, a member of the White House squad, who has been ill for several months, and James S. Boswell, a colored member of the force.

It is expected that favorable action will also be taken on the applications for retirement of Sgt. Raphael W. Bryan and Policeman Lee R. Witt, both of whom have been passed by the retiring board.

**Two Adjudged Insane And Sent to Asylum**

John Galen and William Keys, the former arrested about a week ago for taking three quarts of milk from in front of houses in Ninth street, northwest, and the latter taken into custody in a moving picture theater on a charge of acting in a vulgar manner, were both adjudged insane by a jury in the police court yesterday. They will both be sent to St. Elizabeth's for treatment.

Dr. Perry Hickling, of the Washington Asylum Hospital, testified in the cases of both men to the effect that it "would be dangerous to permit them to have their freedom."

**Californians' Outing.**

The California State Association will hold its annual summer outing at Marshall Hall next Sunday afternoon. A large attendance is expected.

MOTOR BOAT CLUB TO HOLD REGATTA

Alexandria Devotees of Water Sport to Cruise to Marshall Hall for Sociability Run—New Club House Planned.

WASHINGTON TIMES BUREAU, ALEXANDRIA, VA., JUNE 28.

The Alexandria Motor Boat Association is making extensive plans for a regatta to be held on the Potomac river, the date for which has been tentatively set for July 20. A program is now being prepared by a committee composed of Walter U. Varney and Frank Sherman. Many events have been arranged, including speed and novelty races, and the members are working with a vim.

The first run of the association will be made this evening, when a fleet of about twenty craft will make a sociability cruise to Marshall Hall. The affair will be under the command of Commodore Harry Fleischmann, in the Edna Earle. The members will be accompanied by their friends. The boats will leave the Prince street wharf at 7 p. m. In the event of rain the run will be postponed.

Arrangements are now being made by the association for the erection of a splendid clubhouse on the river front, for which plans are now being drawn. A marine railway, capable of transporting any boat up to sixty feet in length to the water, has been completed.

On the testimony of Mary Kane, twelve years old, William Hansborough, nearly three times her age, was held on a serious charge for the action of the grand jury, by Justice of the Peace Luther H. Thompson, who presided in police court.

A short while ago Hansborough completed a long penitentiary sentence on conviction of charges preferred against him by a young girl.

Mary Bryant, the young woman who appeared in police court yesterday morning to answer to the charge of vagrancy, has been sent back to her home in Warrenton. An extensive investigation was made by Police Justice Harry B. Caton, resulting in the deter-

mination to return the girl to her relatives.

Announcement is made of the marriage of Luther A. Beahn to Miss Ethel A. Crupper, the Rev. C. Kelley Hobbs, of the Second Baptist Church at Del Ray, officiating.

At the meeting of Canton Alexandria, Order of Patriarch Militant, it was decided to accompany Potomac and Serpents Lodges of Odd Fellows to Falls Church on July 11, when the installation ceremonies will be held. The canton will be attired in full uniform and will embark on a special train, leaving here at 7 o'clock. After the business meeting, the degree of the order was conferred on a candidate and one application for membership received.

"Look for Our Green and White Sign"

First Consider

THE fact that the rent you are now paying will never give you ownership to anything but a rent receipt.

Next Consider

THE vast number of people—many of whom you no doubt know—who are buying homes of their own with the money they formerly wasted for rent.

Then Consider

THE SHANNON & LUCHS easy payment way of buying a Columbia Heights Home, which will be fully described in our advertisement in tomorrow evening's issue of The Washington Times and Evening Star.

DO THIS, and we firmly believe that you will be interested to the point where you will want to inspect the Columbia Heights Homes. And that is all we ask—the Columbia Heights homes are their own best salesmen, especially when you realize that they are purchasable on terms as easy or easier than the rent you are now paying.

HOSPITAL PURCHASES ALLEGED HAUNTED HOUSE OF RECTOR

Episcopal Institution Buys Property At Corner of Fifteenth and M Streets.

An old, ramshackle "red brick" residence, for years known as the "haunted house" to Washingtonians, will shortly be torn down and thus close the final chapter of ghost tales and uncanny anecdotes related about it in the neighborhood.

It is the former residence of the Rev. Charles Newton Clement Brown, former rector of the Church of the Ascension, and now traveling abroad, and it has been purchased by the Episcopal Eye, Ear, and Throat Hospital as part of the property at the southeast corner of Fifteenth and M streets, adjoining the institution.

Just how the residence became known as "haunted" is a secret which old Washingtonians seem to guard closely, but that it has borne this reputation is well known to real estate men who have tried in vain for many years to sell it. Attempts to rent it or dispose of it have always been unsuccessful. It is a favorite occupation of children in the neighborhood to tell of shadowy ghosts and strange lights they see in the house after dark, and even their elders join in the sport now and then.

The property will be held for improvement by the Eye, Ear, and Throat Hospital until it is necessary to use it for the extension of its present building.

**Florists Will Feast.**

The Washington Florists' Club will hold its next regular meeting Tuesday night at 7:30 o'clock at 1214 F street northwest. After a short business session the members of the club will be guests at Edward Schmidt's at a big crab feast.

STUDENTS OF BIBLE TO ASSEMBLE HERE FOR DISCUSSIONS

International Society Will Draw Delegates From All States In Union.

Four thousand delegates, representing every State in the Union, provinces of the United States and the Dominion of Canada are expected to attend the general convention of the International Bible Students' Association, which will be held in the Glen Echo Chautauqua grounds each morning and afternoon from July 7 until July 14.

In addition to attending the convention many of the delegates will spend their spare hours sightseeing. Many children will accompany their parents on the trip to the Capital City.

The delegates will go out to Glen Echo on special cars provided for their convenience by the Washington Railway and Electric Company.

The convention will in no way conflict with the Glen Echo attractions, as it will be held in the large auditorium which is sufficiently large to accommodate the crowd.

One of the most interesting speakers during the convention will be Pastor Russell, of the Brooklyn Tabernacle, whose sermons have made him one of the country's most famous preachers. He will speak on Friday, Saturday, and Sunday. One of his subjects will be "Baptism; Its Import and Its Symbol."

Only the International Bible Students' Association is so called because it is made up of Bible students of various countries, who have an independent or non-sectarian line of Bible study. This will be one of the largest con-

Maj. Gen. Murray Safe; Transport at Nome

The United States transport Sheridan, which has been drifting with the ice floes for more than a week in Alaskan waters, has landed safely at Nome, and her commander today requested the War Department to allow him to remain at anchor there until the ice floes pass.

Much apprehension was felt in Washington when it became known that the Sheridan might possibly be carried far out of her course into the Atlantic ocean.

Maj. Gen. Arthur Murray, with his wife and family, are aboard the transport, which is carrying the Thirteenth Infantry to various Alaskan posts to relieve the Sixteenth Infantry, which has been in Alaska for the last two years.

This trip, for General Murray, is a summer outing, and it was also taken to afford him an opportunity to look over the Alaskan posts.

Nome is the first port of call for the Sheridan, and from present indications, she will remain there for several weeks at least.
